Day 1: Exmouth

We start our journey in the little coastal oasis that is Exmouth, perched on the tip of the North West Cape and nestled along Exmouth Gulf. Originally established in support of the United States Naval Communication Station nearby. It is now well known for its stunning marine experiences including the world heritage listed Ningaloo Reef, swimming with the whale sharks, whale-spotting tours, and of course hiking in Cape Range National Park.

Check into your room from 2pm, freshen up, then your afternoon is free to enjoy. Perhaps a dip in the ocean at the nearby Town Beach, a sunset cruise (spot whales at the right time of the year!) on Exmouth Gulf or a visit to one of the fantastic local breweries!

Optional Activities

- A chance for you to partake in many optional activities on land or out on the Ningaloo Reef - Swim with whale sharks, scenic flights, a sunset cruise or join a day tour to Cape Range National Park (booked and paid locally)

Included Meals

- None

Day 2: Cheela Plains Station via Bullara Station

We start our day the way everyone should, with a morning tea stop (you're welcome to enjoy fresh scones, tea and coffee) at Bullara Station, a working cattle station! Afterwards we are off to Cheela Plains Station via a refueling stop at the famous Nanutarra Roadhouse. As for Cheela Plains, expect a lush oasis of comfort between Karijini National Park and Ningaloo Reef, where you can really feel the power of the rugged Pilbara landscape surrounding you and the sensational night sky above.

Included Activities

- Visit Bullara Station for the chance to try their famous scones
- Sunset Hill Walk - Watch the sunset over the Pilbara with a sundowner in hand
- Stargazing - See the Milky Way like never before

Included Meals

- None . However guests may enjoy dinner at Red Plains café (discuss with guide on day 2) or self-cater in the camp kitchen facilities. You will have opportunities to buy your own meal supplies on this adventure and there is a refrigerator onboard to keep your food and supplies fresh.

Day 3: Karijini National Park via Tom Price & Hammersley Gorge

It's all about deep gorges and crystal clear water as we head to Karijini National Park, the place to truly embrace your wild side. Along the way we'll stop off at Tom Price (another chance to grab supplies), the highest town in Western Australia. You'll get to experience the sheer dramatic force of Hammersley Gorge, where you can wander the bush, take a refreshing dip, or just laze away the day. Your call.

Included Activities

- Visit the mining township of Tom Price
- Explore Hammersley Gorge with a relaxing swim in its cool waters

Included Meals

- None . However guests may enjoy dinner options in the town of Tom Price or self-cater in the camp kitchen facilities. You will have opportunities to buy your own meal supplies on this adventure and there is a refrigerator onboard to keep your food and supplies fresh.

Day 4: Karijini National Park via Hancock Gorge & Kermit's Pool

Another day of spectacular scenery and breathtaking views awaits. First it's Weano Gorge, where you'll want to leave time for some spectacular snaps. The walk to Hancock Gorge and Kermit's Pool has been described as a 'journey to the centre of the earth' – judge for yourself as you descend amid steep walls. You will also have the opportunity to visit Handrail Pool as well. Back on the surface, we head to Dales Gorge where you can take an invigorating dip at Fern Pool and Fortescue Falls before it's off to our bush camp and your chance to camp under the stars and really experience the grandeur of the great southern sky.

Included Activities

- Weano Gorge viewpoint
- Hancock Gorge - Kermit's Pool and Handrail Pool hike (Fitness level and time permitting)
- Invigorating dip at Fern Pool and Fortescue Falls in Dales Gorge

Optional Activities

- Karijini Stargazing Tours (booked and paid locally)
